BACHELOR OF OPTOMETRY COURSE

A New Beginning at Guru Nanak Eye Centre!

The day 1 September, 2026, marks a proud milestone as Guru Nanak Eye Centre (GNEC) welcomed the first-ever batch of Bachelor of Optometry students, in affiliation with GGSIPU, Delhi.

A new chapter begins — one that brings together clinical learning, academic excellence and hands-on patient care from the very beginning.

We are excited to nurture the next generation of optometry professionals and give them an opportunity to learn alongside a vibrant, multidisciplinary ophthalmic team at GNEC. Welcome to GNEC, future optometrists!
